## We have planned a FULL WEEK of overnight CAMPING ADVENTURES for kids entering grades 5-7 in the fall.

Our theme this year is: "SIGNED, SEALED, and DELIVERED, you've got mail!" I always look forward to going to the mail box when I get home each day to see if there is a letter for me. There will be no time for feeling lonely at camp because EVERYDAY, YOU, will be getting mail! Can you guess who might send you mail...everyday? I can't tell you who it will be but I can tell you that you are going to love it.

Steve Sposato, of Providence, Rhode Island, will be **coming back as our speaker**. Steve loves spending time with all of the kids at Adventure Camp, he loves having fun and he loves teaching God's Word. We are fortunate to have Steve back with us. Steve's wife Erica and their 4 children will also be back!

Imagine stepping out of your world for a week; a week where the stories of the Bible come alive. Imagine a week packed with wild games, new experiences, and lasting friendships. Imagine a week where you get the chance to explore the meaning of life with a group of peers and staff who really care. Imagine a week spent diving into knowing the very Creator of the universe.

Now, stop imagining. Come. Live it. Make it happen. Register now at- [www.cosnet.org/children](http://www.cosnet.org/children)

No matter how many camps you have been to before, you've never seen anything like **Adventure Camp 2012!** Invite your friends. This is one of our most popular camps and it gets filled up fast, so don't delay - register today! You'll be glad you did.

Adventure Camp 2012 is the place to be July 29—August 4th. Adventure Camp is a place where good friendships are formed, a place where your mind and heart are stretched, and a place where you are challenged. We will be heading off to the POCONOS where Adventure Camp will be in full swing!

We'll meet in the Gym at Church of the Saviour in Wayne, on Sunday afternoon, **July 29 at 12:30 p.m.** After we check in, those riding the buses will board and head off to camp. Campers driving with parents, need to be at camp by 4:00 p.m.

This exciting program offers campers a tremendous range of activities for guys and girls who are constantly on the move. Boating, swimming, soccer, sling shot, archery, crafts, volleyball, and countless other programs have been designed to challenge kids with fun and achievement.

If that's not enough, there's a waterslide, the messy marathon, and hot dog & marshmallow roasts around the campfire. There's a lot going on at **Adventure Camp 2012**. We've planned great days of fun, with supervised free time each afternoon where you will choose what you and your friends like best, with counselors on hand to help!
