January 3 Beat the Clock

It's a New Year at WANAJAM. Don't miss the first club night of the new year. All the games we will be playing tonight will be timed. See if you can "Beat the Clock!" Bring a new friend to club with you. For every new friend

you bring, you get points for your team. The individual boy or girl who brings the most friends to club this month will win a great prize.

January 10 Clash Night

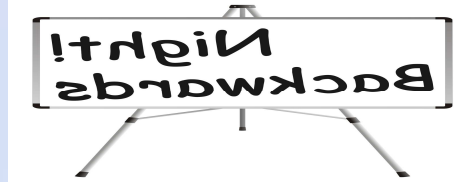

Tonight you get to wear the clashy-ist

clothes you can find. That means nothings matches! This is a dream for some of you! The boy or girl who has the clashy-ist clothes will win a great prize! **Bring your friends.**

January 17 Backwards Night

Tonight we will be doing everything backwards...from wearing our clothes backwards to running backwards. The whole night is just going to be backward. **Bring your friends** out this will be a really FUN night!

January 24 Sound Scavenger Hunt

This is going to be funny. You will be divided into teams, given a tape recorder and list of sounds that you have to record as you go through the night. The team that has the most and best recorded soud wins! If you have never done this before your in for a hoot!

January 31 International Night

Miss Ellie will be home from Thailand and she will be telling us all about it. If you have anything from another country that you want to bring and show us, bring it. Maybe you have clothes from a different country that you want to wear. That would be good too. **Bring your friends.**
